

Vogt Morning Offering

Lord, thank You for another day.

In this quiet waking moment
I thank You for the beauty of nature,
Mind, heart, hands and feet
To carry me through the day
I thank you for food to eat and time to work.

Walk with me through this day.
Give me the wisdom and strength
To face the challenges of this day.

Bless the tasks I take on today.
Bless my family and all those close to me.
Indeed, bless **all** people on earth,
for their needs and concerns are also precious to You.

Mary, I turn especially to you.
Like you, help me to bring your son, Jesus, into our world.
May my efforts today contribute to building
The kind of world which God calls us to protect.
Amen
